To whom it may concern:

Letter of Reference for Asset Liquidation and Sales

This letter is to advise the reader that the County of Santa Barbara has been working with Asset Liquidation and Sales for several years and has found their performance to be very satisfactory. They have assisted us in disposing of numerous articles including surplus furniture and equipment, storage sheds, trailers, and miscellaneous other goods.

The principals, Joe Lazaer and David Humes, have been cooperative in working out various arrangements, creative in locating buyers for surplus equipment, responsive to inquiries whenever they arise, and both gracious and professional in all our dealings.

I would invite be happy to respond to any inquiries. I may be reached at (805) 568-2693 or by fax (805) 568-2705.
