Dear Joe,

I am writing to thank you and your company on behalf of the KIDS Network and the agencies involved in Lompoc's Healthy Start Program for children, youth and families. Your assistance to us in selecting (after the deadline!) and moving the office furniture from the Lompoc Social Services stock will help a non-profit program working with at-risk children in your community. We especially appreciated your help in getting those heavy desks to our storage facility!

Your helpful and cooperative attitude was so refreshing in a world that is often too self-serving, and reflects the true spirit of the holiday season!

Thank you, and know that you have helped make a difference for kids in Lompoc!

Sincerely,

Hedy Damery  
Network Coordinator
