Attention: Dave Humes and Joe Lazaer

On behalf of the Vandenberg Village Community Services District, I would like to commend Asset Liquidation & Sales, Inc., in particular Dave Humes for the professional manner in which we conducted our recent business.

Vandenberg Village Community Services District contracted with Asset Liquidation & Sales, Inc. to dispose of our surplus property which we had been unsuccessful in disposing of ourselves. The meetings with David were productive, the disposition of the surplus property was timely, and the District received a good return. Overall, our experience with your firm was extremely positive.

I would highly recommend the services of Asset Liquidation & Sales, Inc.

Sincerely,

VANDENBERG VILLAGE COMMUNITY SERVICES DISTRICT
