To Whom It May Concern:

LOVARC recently found itself in the unusual position of having surplus vehicles to sell. As a nonprofit, we are normally **NEEDING** vehicles, not looking to sell vehicles!

Since LOVARC does not have staff with the time or expertise to market and sell 3 vehicles, we contracted with AL&S to find potential buyers and negotiate a selling price. Joaquin Viramontes with AL&S provided excellent service, and was able to sell all 3 vehicles in just over 60 days at fair market prices.

LOVARC is very satisfied with the services that AL&S provided.

Sincerely,

Elen Vanderhoof
Chief Financial Officer
