Asset Liquidation Co.;

Just a note to thank you for a job well done. In spite of the short notice on my part, your organization helped me retrieve a good return on my merchandise and fixtures. I appreciate the after-auction help cleaning up my premises and final disposal assistance.

Dave and Joe, I feel you did a first rate job for us, and I feel I have two new friends also!

The sealed bid auction you proposed after our initial conference was very successful and allowed us all to walk away winners.

Thanking you both for helping me make my goal become reality, I am,

Happily Yours
Jim Agna
