To Whom It May Concern,

The Lompoc and Santa Barbara YMCAs have been a customer of Asset Liquidation and Sales of Lompoc. The company has been outstanding in providing service in the purchase of used-surplus equipment. Joe and Dave have worked hard to provide information, fair prices and on-time delivery.

I have personally viewed the process of liquidation for business offices in Lompoc. I was thoroughly impressed with the sensitivity and professionalism of Asset Liquidation and Sales.

Please feel free to contact me at 687-7720 extension 231 for further reference checking as needed.

Sincerely,

Rick Polite
Executive Director
