Asset Liquidation  
422 W. Ocean Ave.  
Lompoc, CA 93436

Dear Asset Liquidation:

Thank you for your generous donation of \$175.00 to the Santa Barbara Family YMCA 1999 Campaign for Youth. Your generous support will make a critical difference in a young person's life.

It is through community support that the Santa Barbara Family YMCA is able to provide children and their families with scholarships to critical YMCA programs. The YMCA strives to raise the necessary funds so that no child is turned away from the exciting adventures and life-changing experiences of Day Camp or Away Camp because of the family's inability to pay. The opportunities made available for children, youth, and teens in after-school and preschool child care, teen programs, and family and wellness programs because of generous community support, such as yours, is evidence of the importance of your pledge.

The Santa Barbara Family YMCA impacts the lives of thousands of people each year through our annual Campaign for Youth, but we are only able to make a difference through your support. On behalf of the Board of Managers, staff, and hundreds of men, women, children, and families who utilize our programs and facility, thank you for your generosity.

Enclosed is a reply envelope for your convenience.

Sincerely,

Rick Polite  
Executive Director

*We build strong kids, strong families,  
strong communities.*
